

Hi,

You don't know me, but I've just paid for your order.
No gimmicks—it's just something I felt like doing

I heard about other people doing things for others on
the radio station Life 96.5 and on KELOLAND TV.
They call it - Drive Thru Difference!

Because kindness can be contagious,
maybe you'll feel like doing it for someone else.

Both Life 96.5 and KELOLAND TV like to hear and share these stories
on the air or on their web sites. If you feel like sharing,
you can call Life 96.5 at 338-4006 or 888-569-5692
or leave comments on KELOLAND.com or Life965.fm

I hope this encourages you today!

Signed,
The friend in the car ahead of you.
